

There were 22 members in attendance at the February meeting. That's up a few over the past months. Must be a sign that Spring is in the air.

As of 14 March our membership stands at 149. What with deaths and transfers, we still need 18 for 100%.

Over the years we've pointed out what the Legion does to support Veterans and their families, and provide programs such as Boys and Girls States, Essay and Oratorical contest, to teach citizenship. You all receive the Legion Magazine which keeps you much better informed than we can do in a short newsletter or postcard. If you are one of those who haven't re-up'd, think about where you get the best bang for your buck for a one time a year payment. The Legion doesn't waste money on blankets, free banquets etc. like some organizations claiming to assist Vet's.

Anyhow. The next Post meeting will be Monday, March 21st at 7 P.M. at the Swansea Community Hall, 216 Service St. Come on out. Bring a friend.
